MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT

25X1A9a

I believe you will be interested in the following news item which was reported to me by the Director of Training.

[REDACTED] (GS-14/ORD) has made the news--the Washington Evening Star. According to an article appearing in the 12 October issue, datelined Madrid, [REDACTED] is apparently recognized as one of America's 'first space lawyers.' [REDACTED] before his resignation from the Agency about a year ago, was sponsored for 18 months' external training at George Washington University in space law. At the time of his resignation he was under a 36-month training agreement. He elected to reimburse the Agency for the full cost of training, \$1,500.82, rather than serve out the agreement."
